ASIA CHRISTIAN AUTHORS

How to share your book

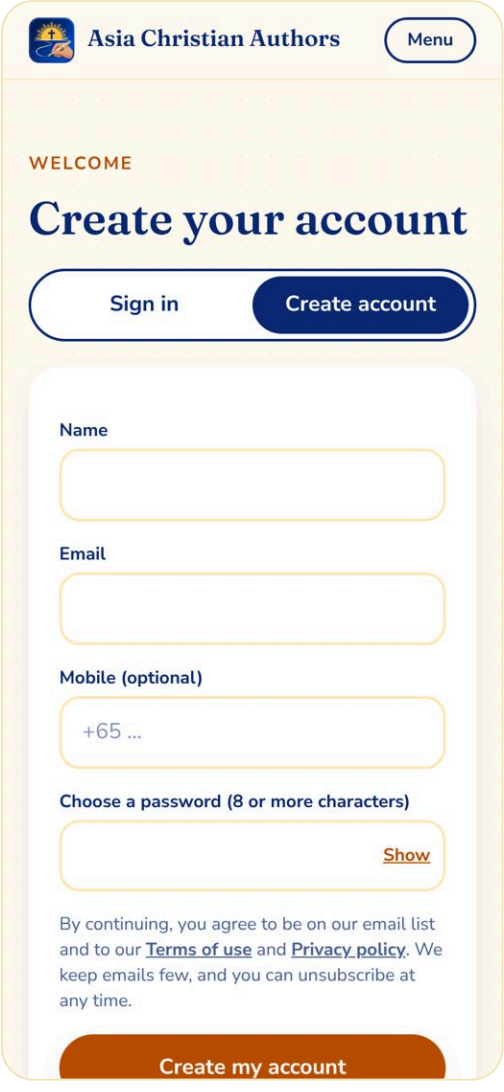
8 simple steps to put your book in our library, free or paid. It takes about 10 minutes. Have your book file (or sales link) and cover picture ready.

1

Create your account

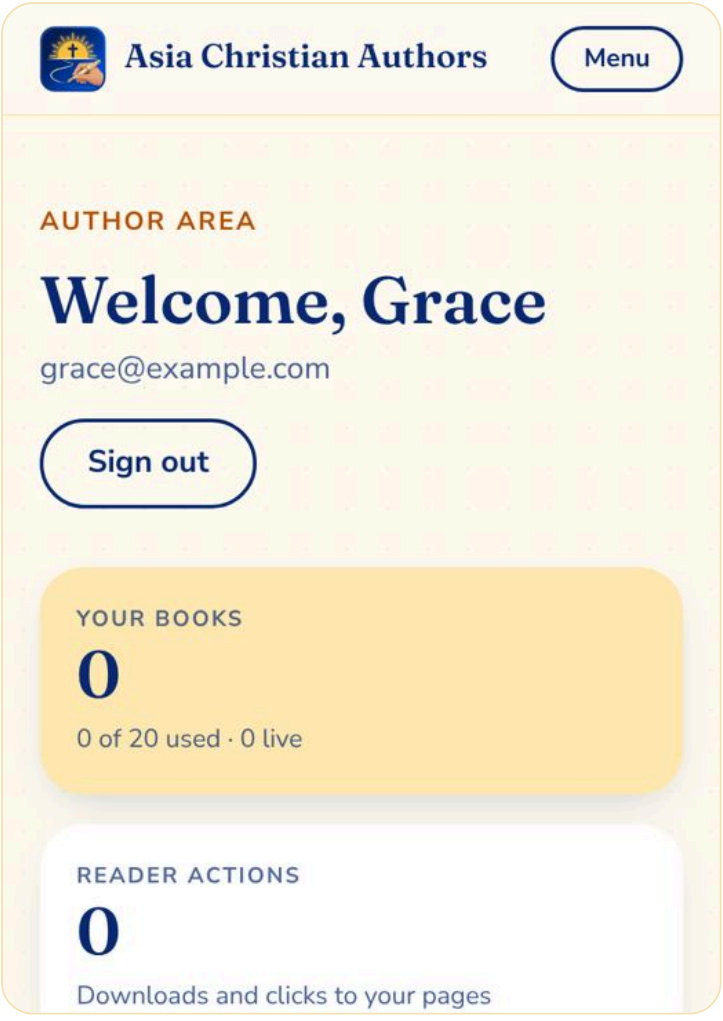
Go to asiachristianauthors.com/login and tap **Create account**. Fill in your name, email and a password, then tap **Create my account**.

Already have an account? Tap **Sign in** instead.



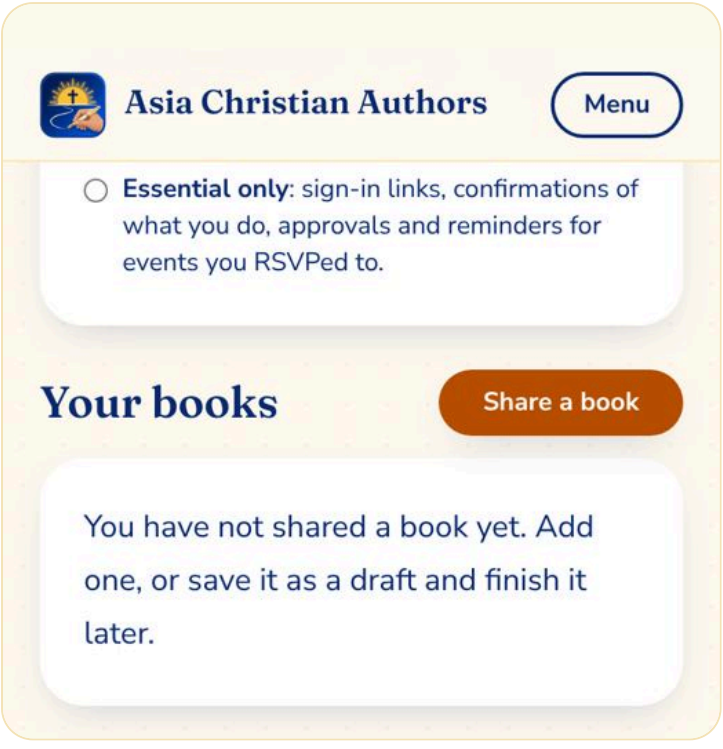
2 Open your Author area

Once you are signed in, tap **Menu**, then **Author area**. This is your own space on the site.



3 Tap "Share a book"

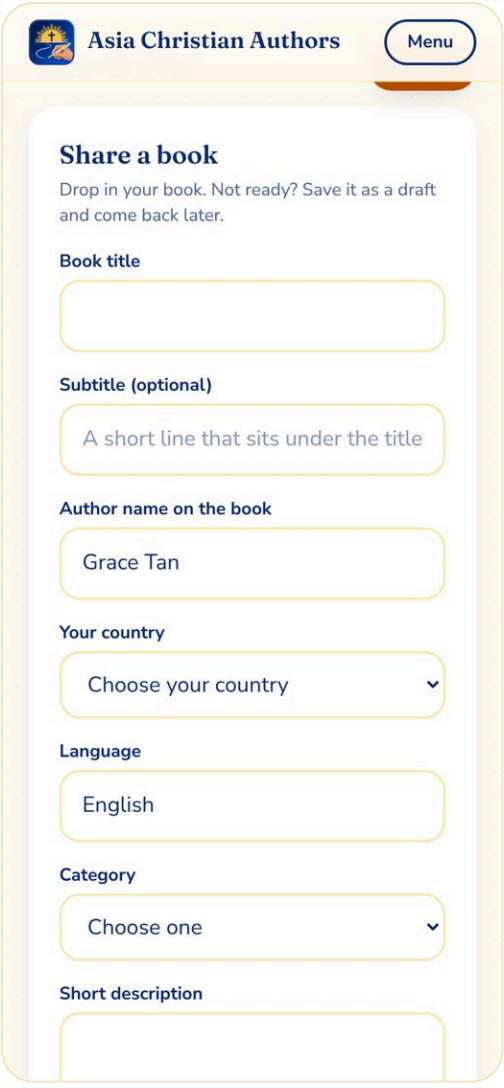
Scroll down to **Your books** and tap the **Share a book** button.



4

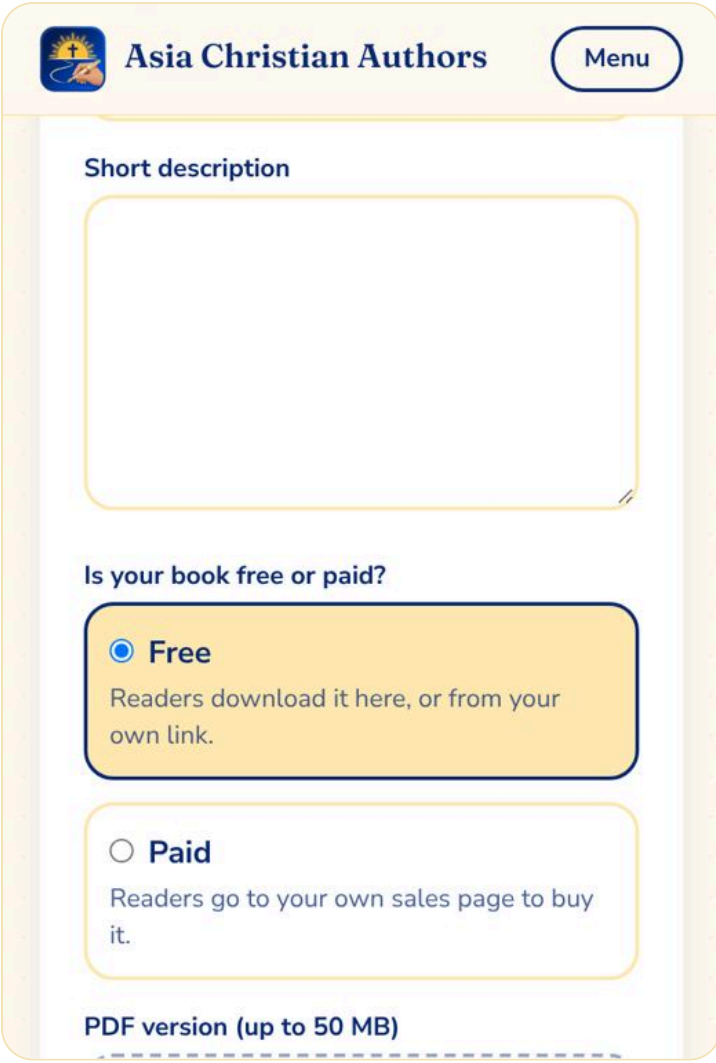
Fill in your book details

Type your **book title**, the **author name** as it appears on the book, your **country**, the **language** and a **category**.



5 Write a short description

A few sentences about your book. Tell readers who it is for and how it can help them.

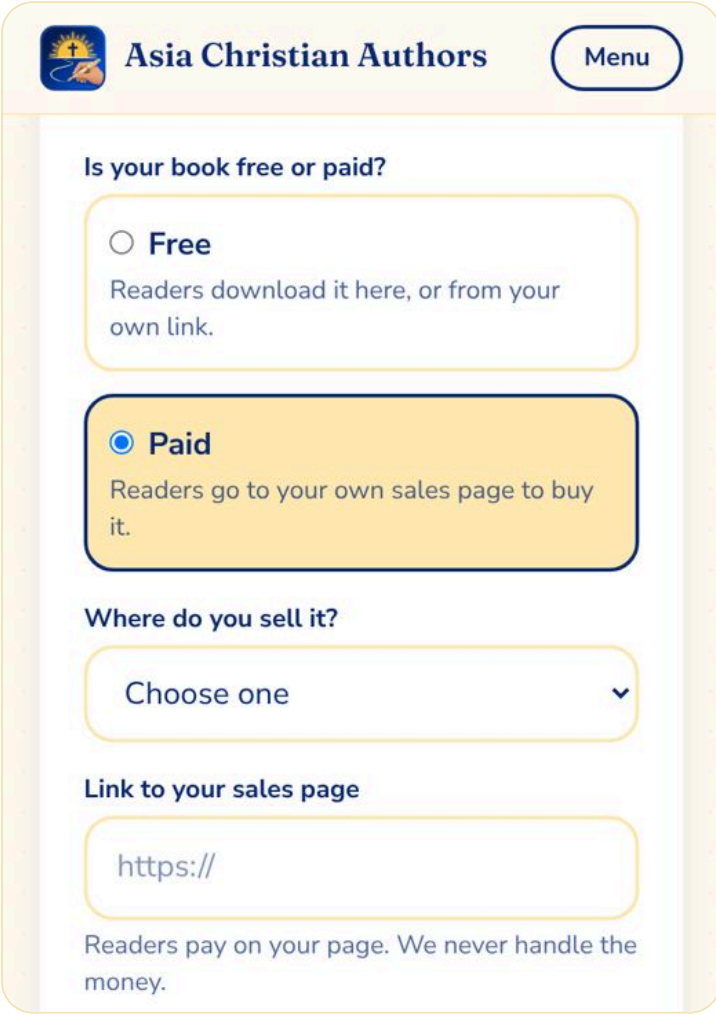


6

Free or paid?

Free: upload your book as a PDF (up to 50 MB), or paste a link to your own free download.

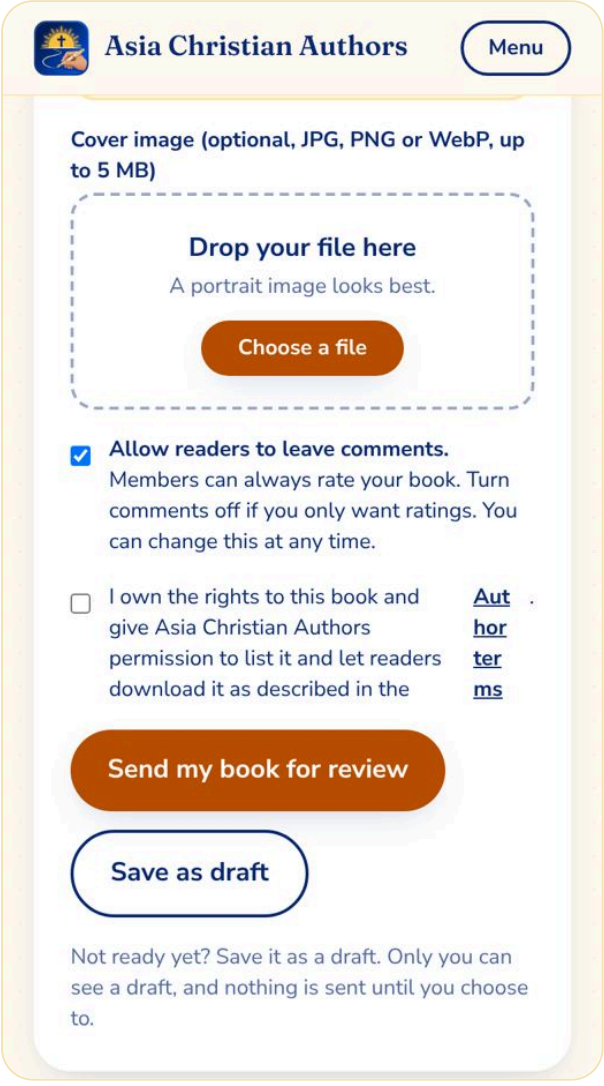
Paid: choose where you sell it (for example Amazon) and paste the link to your sales page. Readers buy on your page. **We never handle the money.**



7 Add a cover and send

Add your cover picture (a portrait image looks best). Tick the box to confirm **you own the rights** to the book, then tap **Send my book for review**.

Not ready yet? Tap **Save as draft** and finish later.



8 Wait for approval

Your book now shows **In review**. Every book is checked before it goes live. Once it is approved, you will get an email saying **"Your book is live"**, and it will appear in our library.
